

Williams Ranch School

Every Student, Every Day, Drop Off/Pick Up Schedule

Kindergarten & SDC will use the kindergarten drop off area.

1st - 5th grade will use the flag pole drop off area.

It is extremely important that you drop off and pick up your child in the designated areas listed below. Students must stay in the vehicle until their designated time during drop off. No drop off before 7:55 a.m.

Important: Due to our safety protocols, we ask that **parents remain in their vehicle during drop off and pick up** to minimize the number of individuals on campus and in classrooms.

Drop Off Day One: Students may exit their vehicle at their designated area. On the first day they will proceed straight to their classroom.

Beginning Wednesday, August 17th: First grade through fifth grade will proceed to their designated area on the blacktop for a brief morning assembly. We will begin this on **Wednesday, August 18th**, so as to allow the teachers the first day to help their students learn the safety procedures and protocols. **Kindergarten** will continue to proceed straight to their classroom.

Even though the WRS tradition of morning assemblies is beginning at the start of the school year, we cannot allow our families to join us during this time. We truly hope this will change. Thank you for understanding and supporting us.
